

# The LOTOS Group operations

In 2011–2015, the LOTOS Group focused on its principal activities, i.e. exploration for and production of hydrocarbons, crude processing, and trading in petroleum products, while seeking to improve its marketing efficiency and optimize the refining and logistics processes. The goal of the strategy was to extend the value chain and boost product margins.

## Mission of the LOTOS Group

**Innovation-driven, sustainable development in the exploration, production and processing of hydrocarbons and marketing of high-quality products, which is conducive to creating lasting value for shareholders, ensuring customer satisfaction, enhancing and leveraging the employee potential, and which is responsible towards society and the environment and consistent with the energy security policy.**
